WHY BOOK ISABELLE?

I'll offer your audience stories and tips to inspire courage in the face of big challenges a free PDF of my book, "[Accepting Destiny: How Heart Transplant and Near Death Experience Gave Me the Courage to Share Gemstone Therapy With the World.](#)"

BIOGRAPHY:

In 2002, heart failure and a near-death experience turned Isabelle Morton's world upside down. When a heart transplant saved her life three years later, it also reawakened her gift: an innate affinity with healing diamonds and gemstones, and the knowledge of how to apply them. It also gave her the courage to share this information.

In 2010, Isabelle founded the Gemstone Therapy Institute to provide a resource for education, certification, and healing gemstones. Isabelle is the author of 14 books including her memoir, "Accepting Destiny."

Isabelle believes that the body needs more than physical help to heal. It needs to address the underlying energetic causes and contributing factors of ill health. This is what healing diamonds and gemstones can do.

HOW I'LL PROMOTE YOUR PODCAST:

Our interview will be promoted to our extensive list of email subscribers, Instagram, and Facebook fans.

SUGGESTED QUESTIONS:

HEART TRANSPLANT:

- 1 - How long were you waiting for a heart?
- 2 - What was your first reaction when you learned a new heart became available to you?
- 3 - What happened in your near death experience?
- 4 - How did this experience change you?
- 5 - What did your healing journey teach you about facing huge challenges?
- 6 - How many people are currently waiting for a heart?
- 7 - If I'm a registered donor, will they take my heart before I'm dead?

GEMSTONE THERAPY:

- 1 - How did you get started with healing gemstones?
- 2 - What is the difference between crystals and gemstones?
- 3 - How do healing gemstones work?
- 4 - What is a good way to get started with Gemstone Therapy?
- 5 - What is the biggest lesson you've learned in working with healing diamonds and gemstones?
- 6 - Why do you feel gemstones are so important to people today?
- 7 - Is my diamond ring therapeutic?
